

## PARENT/GUARDIAN OCCUPATION CONFIRMATION

Dear Parent/Guardian,

It is necessary to keep our database updated and we ask for your assistance by completing and returning this form. We apologise in advance if you have already provided this information and your situation has not changed.

We are requesting confirmation of parent/guardians' occupations. Like all government schools, a component of our government funding is based on parent occupation.

This information is strictly confidential and is only collected to provide a statistical number to the government so we can receive additional funding.

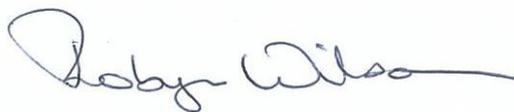

Please do not overstate your occupation, as this could adversely affect the amount of funding we receive. The amount of funding we receive determines the quality of resources and educational programs we can provide to our students. Please note that if we are not advised of your occupation, we must categorise you in the group that attracts the least amount of funding.

Thank you for your cooperation. For your convenience, your child can return this form to the Administration Office.

Should your circumstances change please complete the attached form and return it to the office

Please do not hesitate to call me directly on 9583 2995 if you have any queries.

Yours Sincerely

Business Manager
